3 Architectural Significance <input type="radio"/> Represents work of a master <input type="radio"/> Possesses high artistic values <input type="radio"/> Represents a type, period, or method of construction <input type="radio"/> Is a visual landmark in the area <input checked="" type="radio"/> Other: <i>None</i>	Architectural Statement: <p><i>This American "Foursquare" style residential building has been adapted for commercial/apartment use but still retains its original architectural character and integrity. Somewhat broader than the typical examples of this style it is accented only with a second level bay window and square-in-section, built-up columns supporting the broad porch roof. This is of some architectural interest, and contributes to the architectural significance of the District as a relatively intact example of a common residential building type in Sturgeon Bay at the turn of the century.</i></p>		4 Historical Significance <input type="radio"/> Assoc. with lives of significant persons <input type="radio"/> Assoc. with significant historical events <input type="radio"/> Assoc. with development of a locality <input type="radio"/> Other: <input checked="" type="radio"/> None	Historical Statement: <p style="text-align: center;"><i>110 N.
