COMMUNITY SERVICE AND PROTECTION COMMITY

Dear COMMUNITY SERVICE AND PROTECTION COMMITY,

I am writing today in regards to opening another cab company (1 Anytime Ride) in Sturgeon Bay . I would like to do this by working with Care Wisconsin and Lakeland medical providing transportation for their clients to and from work and medical appointment. Within 6 months I would like to purchase 2 mini vans and help with the city's bar closing times. I have worked for the last 3 or 4 owners of Door County Cab here in Sturgeon Bay. I know that there is a need for another company as I know that I have been late or pushed out calls because we at Door County Cab did not have the staff or we were that busy that we could not keep up. I also know that Steve and Karen over on Utah St have given up their contract with Care Wisconsin. Linda and Mel who used to run the shuttle for Door County Green Bay Shuttle have also retired in the past year due to her loss of eye sight. I would like to bring in safer vehicles than what has been being driven in the last few years. I would also like to eventually bring back another wheelchair accessible van for when Door to Door is closed. Like stated I do plan on starting with just 1 vehicle for now and working my way up. My first vehicle in my fleet will be a Mercury Mariner that seats 4 people and from there I would like to add vehicles. I am already registered with the Department of financial institution which I have submitted a copy of with this letter I am also registered with the IRS already as I will also submit a copy of

that with this letter and a title to the Mercury Mariner as stated that I needed to do in the statues. When I get enough vehicles that will be registered on my fleet I do have employees that want to come work for me, I am a local citizen who wants to serve my community and make it a better place that does have more options for the community as a whole. I will also be providing a rate sheet that my drivers will use to calculate the cost of fare and a quote sheet for runs that go outside of city limits. I would also like the committee to know that I have been one of the sole runners of Door County Cab for the last year. I have the experience and I am always willing to learn and change things for my clients. So I know the dedication and time that this company will cost me and I am fully willing to do it. In opening another company, we will be giving our community a choice in who they want to ride with. I am hoping that we will lower DUI'S, DWI'S, OWI'S, alcohol related deaths by providing our community a choice and a smaller wait time for the times that the cabs will take to get there which every minute reduces the risk of someone drinking and driving.

Warm regards,

 - (a) Application for a taxicab license to operate one or more taxicabs or an application to operate additional taxicabs under an existing license shall be made in writing to the clerk-treasurer giving the address from which the business is conducted and signed by the owner of the business or his/her duly authorized agent. The application must also state for each vehicle to be operated the make, model and year of manufacture, the engine number, serial number, and capacity for passengers, and the Wisconsin state certificate of title number and license number.
 - (b) The application shall be submitted by the clerk-treasurer to the common council, which shall set a date for a public hearing before the council to examine the public convenience and necessity of granting such license. The clerk-treasurer shall notify the applicant of the time and place set for the hearing.
 - (c) No license shall be granted until the city council, by resolution, has determined that the public convenience and necessity will be served by the service proposed in the application for license. The council may hold such further hearings and procure such additional information as it may deem necessary or advisable in making such determination. The council may attach such conditions to the license as it deems appropriate for public convenience and necessity.
 - (d) Vehicles operated solely as limousines serving a particular business establishment or establishments which are not generally available to members of the public at large, and for which patronage is not publicly solicited for purposes not related to the business establishment or establishments served by the limousine service, are exempt from this section.

Such

- (b) The policy of insurance shall be approved by the city attorney as to legal form before it is filed, and shall contain a provision that the same may not be cancelled before the expiration of its terms except upon ten days' written notice.
 - (c) The cancellation or other termination of any insurance policy issued in compliance with this section shall automatically revoke and terminate all licenses issued for the vehicles covered by such insurance policy, unless another policy shall have been filed and approved pursuant to this section, and shall be in effect at the time of such cancellation or termination.

Formal application to the city council shall be made, such application to state the names of the persons involved in the transfer and generally to contain all information required by subsection (3) hereof. The city council shall approve or disapprove such transfer, except that no license shall be issued until applicant for transfer shall have complied with all of the provisions of subsection (5) in all respects and shall have in addition thereto paid over to the clerk a transfer fee in an amount set by the common council.
- (9) *Renewal.* Taxicab licenses may be renewed by the clerk-treasurer upon the payment of the fees and filing of policies of insurance as required for the original license.
- (10) *Revocation.* A taxicab license may be revoked at any time by the city council for violation of any provision of this section, or for violation of any provision of chs. 340—348, Wis. Stats., or of any such statutory provision incorporated in a municipal ordinance. Such revocation may be for all vehicles or any vehicle included under a license. When any taxicab license is revoked, it shall be the duty of the clerk-treasurer to immediately notify the licensee to cease immediately to operate the taxicab for which the license has been revoked.
- (11) *Condition of vehicles.* The licensee shall keep each taxicab in a clean and sanitary condition, well painted and equipped and maintained as required by ch. 347, Wis. Stats.

- (d) A taxi driver's license shall expire one year following its issuance. It may be renewed upon application to the chief of police on a form furnished by him/her entitled, "Application for Renewal of Taxi Driver's License," which shall show the full name and address of the applicant and date upon which his/her original license was granted and the number thereof.
- (e) Upon receiving payment of the license fee, the chief of police shall provide to each licensed taxi driver a license of such form and style as the chief of police may prescribe, with the license number thereof, which must, under penalty of revocation of the license, be constantly and conspicuously displayed in the taxicab when he/she is engaged in his/her employment. Each licensee shall affix to the face of the license, in the space provided, a photograph of himself/herself not less than 1½ inches square which shall provide an accurate likeness of his/her face.
- (f) The chief of police shall maintain a complete record of each license issued to a driver and of all renewals, suspensions, and revocations thereof, which shall be filed with the original application.
- (13) *Revocation of taxi driver's license.*
- (a) The chief of police shall revoke or refuse to renew the taxicab driver's license of any licensee:

 3. Who has been convicted of a traffic offense or traffic offenses which substantially relate to the circumstances of the vocation of a taxi driver and which indicate, for the preservation of public safety, that the applicant is unfit to drive a taxicab.
- (b) Written notice of such revocation or refusal to renew shall be given the licensee. Any person whose license has been revoked or renewal refused by the chief of police may, within ten days thereof, appeal to the city council for a hearing; and the council may, after the hearing, affirm or

reverse the action of the chief of police. If no appeal is taken within ten days, the action of the chief of police shall be final.

(c) The chief of police shall repossess each license which is revoked.

(14) *Transfer of drivers.* A taxi driver may not transfer from one taxicab licensee to another licensee until such transfer has been recorded in writing with the chief of police.

(15) *Rates of fare.*

(a) Every person licensed to operate one or more taxicabs under subsections (2) through (6) shall file with the city clerk a schedule of proposed fees. Within 20 days from such filing, the council shall either approve or disapprove of such rates. If the proposed rates shall be disapproved, the council shall hold a hearing within ten days from the date of such disapproval. Notice of the time, place and purpose of such hearing shall be given by publication of such notice in any newspaper having a paid circulation published in the city. The city council on such hearing shall hear all interested parties and thereafter fix rates which shall be consistent with public necessity and welfare.

(b) If the city council neither approves nor disapproves the proposed rates within the time limited, the licensee shall operate under the rates proposed and the council shall not for a period of six months from such filing date change or alter the rates as filed.

(c) The city council may, except as above provided, inquire into rates and fix and adjust such rates at any time, providing the council shall first hold a hearing and advertise and give notice of the time, place and purpose of such hearing by publication of a notice at least twice.

(d) The owner or driver of any taxicab shall not charge any passenger a higher or lower rate of fare than that authorized by the council.
